

AIR CHARTER

High efficiency to deliver your critical cargo

Time critical cargo

Speed

100%

Go Now! service in less than 8 hours in North America. Intercontinental services from 18 to 24 hours.

Cost

70%

From USD 10,000 to USD 250,000 depending on the route and the equipment.

Capacity

90%

Versatile. There is a wide range of equipment available to cover different needs.

Efficiency

90%

The most recommended service when the cost of a line disruption is greater than this investment.

Simplicity

90%

Quite simple. Only general cargo info is enough.

Effectiveness

98%

Probably the most reliable service in this criterion.

Coverage

90%

Broad. Regional airplanes serving North America and intercontinental equipment.

Flexibility

80%

Its weakness is related to permits, restrictions in airports and customs.
