## Experts in delivering on time

Leave the stress of dealing with saturated airports and operational failures in the past. Add epGateway to your logistics plan! We'll collect your cargo from different locations in Europe, consolidate it and ship it using our own guaranteed spaces leaving from Schiphol-Amsterdam to AICM-Mexico City, with the possibility of using our own bonded domestic transfer service to drive your cargo another airport with less cargo lagging in customs.

- Direct flight. No stopovers to mitigate risks during cargo handling.
- Capacity to use 14 warehouse facilities in Europe.
- Cargo conditioning and pallet consolidation in a warehouse in Schiphol-Amsterdam.
- Own office at Schiphol.
- Dedicated and personalized service.

<b>Route</b>	Amsterdam-Mexico City
<b>Recollection</b>	From 17 countries in Europe
